**Hams Hame Pub & Grill is a fabulous destination offering outstanding Scottish cuisine showcasing the best ingredients – seafood landed on the harbours of the East Neuk’s fishing villages, carefully selected beef, pork and poultry reared by award-winning producers across Scotland ... as well as seasonal fruits and vegetables chosen for their flavour from farms close to St Andrews.**

Thirsty? Hams Hame has a fine selection of wines from worlds old and new – and offers more than 20 Scottish single malts and over a dozen blended whiskies.

On beers, we have a good choice including some home-grown tastes including Belhaven Best, St Andrews Ale, Harviestoun Schiehallion, Innis & Gunn Original and our specially brewed H&H Ale. Our ‘Beer Flights’ are very popular, enabling customers to try tastes of different ales – and we also serve Oak Aged Cocktails.

When the sun forgets to shine, we offer a heart-warming selection of teas, coffees and hot chocolate - perfect for a pre-match warmer or after a blast on West Sands beach!

So whether you are visiting St Andrews or live locally, we hope you find Hams Hame to be the perfect place for food, drinks, conversation and companionship ... with friends, family, colleagues and fellow players.
