

# KIDS CORE SERVICES & GUIDELINES

SPORTS CORE

100 Willow Creek Drive, Kohler, WI 53044  
920.457.4444 | [sports-core.com](https://sports-core.com)

## KIDS CORE GUIDELINES

- Kids Core services operate on a reservation basis.
- Upon entering the room, parents are to check in with an associate at the desk and indicate where they will be in the facility.
- Once a child is checked in, he/she may not leave until picked up by a parent or assigned guardian. An authorization form must be completed and be on file for children to be picked up by someone other than their parents.
- Parents may utilize Sports Core's outdoor walking/running trail if they notify the Kids Core staff in advance (see notes below).
- Children in diapers need to have a Diaper Release Form on file. Diaper changes will be performed as needed and as staffing allows. Parents are asked to provide diapers, wipes, and any necessary ointments, etc.
- Please inform the Kids Core staff of any special needs, allergies, or concerns for your child. We want to make his/her stay a positive one.
- Kids Core will not be able to accept your child if he/she is sick or displays signs of illness. If any signs of illness develops or is detected after the child is dropped off, the parents will be contacted immediately to remove the child from the room.
- All children should bring their own water bottles (or juice). Sending a snack along with your child is encouraged. Please label these items for identification purposes.  
PLEASE: NO NUT OR PEANUT BUTTER PRODUCTS ALLOWED.
- Please dress your child in casual, comfortable, and washable clothing. Shoes must be worn at all times. A change of clothes is helpful.
- If the child exhibits aggressive behavior toward another child and inflicts physical harm, e.g., biting, hitting, or vulgar language, the parent of the aggressor will be notified to immediately remove child from the facility. A second such incident will result in a two-week suspension of child care privileges. At that time, it is highly recommended that the child returns during a slow time to allow the staff to closely monitor their child's behavior. If a third incident occurs, there will be a three-day suspension to allow for behavior modification. Again, it is highly recommended to return during a slow time and to limit the length of stay. If a fourth incident occurs, there will be a 90-day suspension and the child may only return during a slow time with a length of stay no longer than 30 minutes. The length of stay can increase once the child's behavior has changed.

**PLEASE NOTE:**

*Parents or guardians must remain on the Sports Core property, which includes the outdoor trails. Please notify the staff if you will be utilizing the trails.*
