

# THE DUKE'S, AT YOUR SERVICE

The Duke's is an outstanding Championship heathland course that stands high above the home of golf - looking across spectacular greens and fairways to the rooftops of St Andrews and coastline beyond.

Now in its 22nd year, The Duke's has matured into a classic. It offers golfers of all abilities a unique playing experience in the home of the game, each hole having five separate tee positions creating one of Scotland's longest golf course for those who fancy our black tee challenge.

Our golfing pedigree is exceptional, not only for our location but also for our links with Whistling Straits in the US. Beyond the game, we take enormous pride on delivering exceptional customer service for our members, guests and visitors. We go the whole nine yards.

Our commitment to customer care has resulted in numerous awards and accolades including recognition in the most recent World Golf Awards.

Our clubhouse boasts a fantastic bar and restaurant - both with panoramic views and a terrace that is perfect for alfresco drinks and dining. We have excellent facilities for players including a well stocked pro-shop and an academy that welcomes golfers of all abilities to benefit from our PGA qualified coaches.

We very much look forward to welcoming you soon.

Yours

# PLAY

That's why we are here: for golfers - from around the world - to come and play this fantastic course, marvel at the beautiful layout and enjoy unrivalled views from our setting high above the home of the game.

The 18 hole course is set up as two loops of 9 - enabling us to change the course's format to suit different seasons and different competitions. Forever mindful of changes in the game, the course also allows for a loop of 6 holes. This provides us with the chance to bring 'play' into our tuition programme.

Our members love the course. Perhaps not every day - or with every shot - but they fall in love with its unique layout, the stunning greens and the wonderful heathland landscape of trees, heather and gorse, giving way to reveal panoramic views over St Andrews and the coastline beyond. Play is breathtaking - in every sense.

Our visitors wax lyrical about playing The Duke's. Combined with exceptional service delivered from on every level - from tee to green and throughout our clubhouse - it is no wonder why so many societies make us as their number 1 choice.

Our society and corporate packages are designed for 12 or more. We take care of every detail, arranging bespoke itineraries to ensure an unforgettable day - both on and off the course.

# NINETEENTH

Every great golf club has a favourite 19th hole. At the resort, we are very lucky: we have no fewer than three.

At The Duke's, our Clubhouse is a fantastic facility – providing an open bar and restaurant for our members, guests and visitors, both enjoying access to our terrace that opens out onto the course and provides all not only with spectacular views but also with an ideal venue for alfresco entertainment.

Our restaurant's menus change seasonally – and we can cater for group events with tailored menus to suit you and your group's size and budget.

Our Captain's Room – a beautiful boardroom-style venue – can cater for up to 20 guests for society lunches and dinners as well as private parties and meetings.

At certain times of year, our entire Clubhouse is available for private hire and is a popular choice as a winter wedding destination, providing an outstanding venue with St Andrews as a stunning backdrop.

Our colleagues at the Jigger Inn and Hams Hame Pub & Grill provide 19th holes that serve the Old Course in the town. The Jigger is alongside the Road Hole. Hams Hame is right behind the Old's 18th green.

**Come and see for yourself.**

We'd love to welcome you to The Duke's and provide a show around of our facilities.

One of Pete Dye's crowning achievements, Blackwolf Run opened for play in June 1988 and was named that year's "Best New Public Course" by Golf Digest. It has continued to accumulate awards and honors including regularly being ranked on the list of "America's 100 Greatest Golf Courses" by Golf Digest and the "Top 100 You Can Play" by GOLF Magazine.
